Personal Profile

I am a very enthusiastic person with a passion for coding and technology. My journey into coding began at university, where I had the opportunity to learn programming language. I developed my coding skills in my spare time through articles, blogs, tutorial, books and then I joined self-funded development professional programme at JUST IT to polish my IT skills and peruse my goal of a career in software development. A self-starter and hardworking individual with proficiency in HTML, JavaScript and CSS, as well as ability to communicate and work in a team effectively.

I seek to secure the position of as a Front End/Web Developer and I hope to share my skills, expertise and experience with your team and valuable clients. I have passion for programming and desire to learn and I want to become a true expert and master at my role as a Front-End Developer.

Employment History:

Feb 2015-March 2016

McDonald's, Stevenage

I worked as a crew member at till at Macdonald's.

My responsibilities were:

- Performing all assigned tasks & procedures efficiently and in a timely manner.
- Team member job duties include operating a cash register, running the drive- thru
- Helping customers through the ordering process.
- Cleaning the restaurant and completing other assigned tasks.
- Attending to customers' needs as primary focus Also, welcoming every customer with a smile and being genuinely friendly.

Interests and Hobbies:

I like challenges and solving technical problems. One of my favourite pastimes is entering competitions or quizzes, and then doing my best to win. I joined self-learning bootcamp called 'FreeCodeCamp' to practice my coding skills and completed my front-end development challenge and earn "responsive web design certificate". I am also a very sociable person who values true friendship.

Hobbies: I like painting in my spare time, so my thought takes a shape and I love to read inspirational blogs and articles which motivates me to never give up, and I also enjoy playing badminton and singing music.
